IFTA Licence & Decal Instructions - IFTA 451

International Fuel Tax Agreement (IFTA)

Attached below is your **Ontario IFTA Licence** which allows you to operate under the terms of the International Fuel Tax Agreement (IFTA).

Failure to carry a legible copy of the licence and to display the identification decals on both sides of the cab may subject the vehicle operator to a citation and require the purchase of a trip permit.

IFTA Licence

- The licence is valid from January 1 to December 31 of each year.
- Photocopy and place a legible copy of this licence in each qualified motor vehicle in your fleet.
- Retain the original licence with your IFTA business records.

IFTA Decals

- The decals are valid from January 1 to December 31 of each year.
- Two decals are enclosed for each qualified motor vehicle.
- The exterior portion of both sides of the cab must display a current decal.
- Manufacturers, dealers and transporters (including drive-away operators) of motor vehicles to which a permanent licence plate is not attached may temporarily display IFTA decals in a visible manner.
